

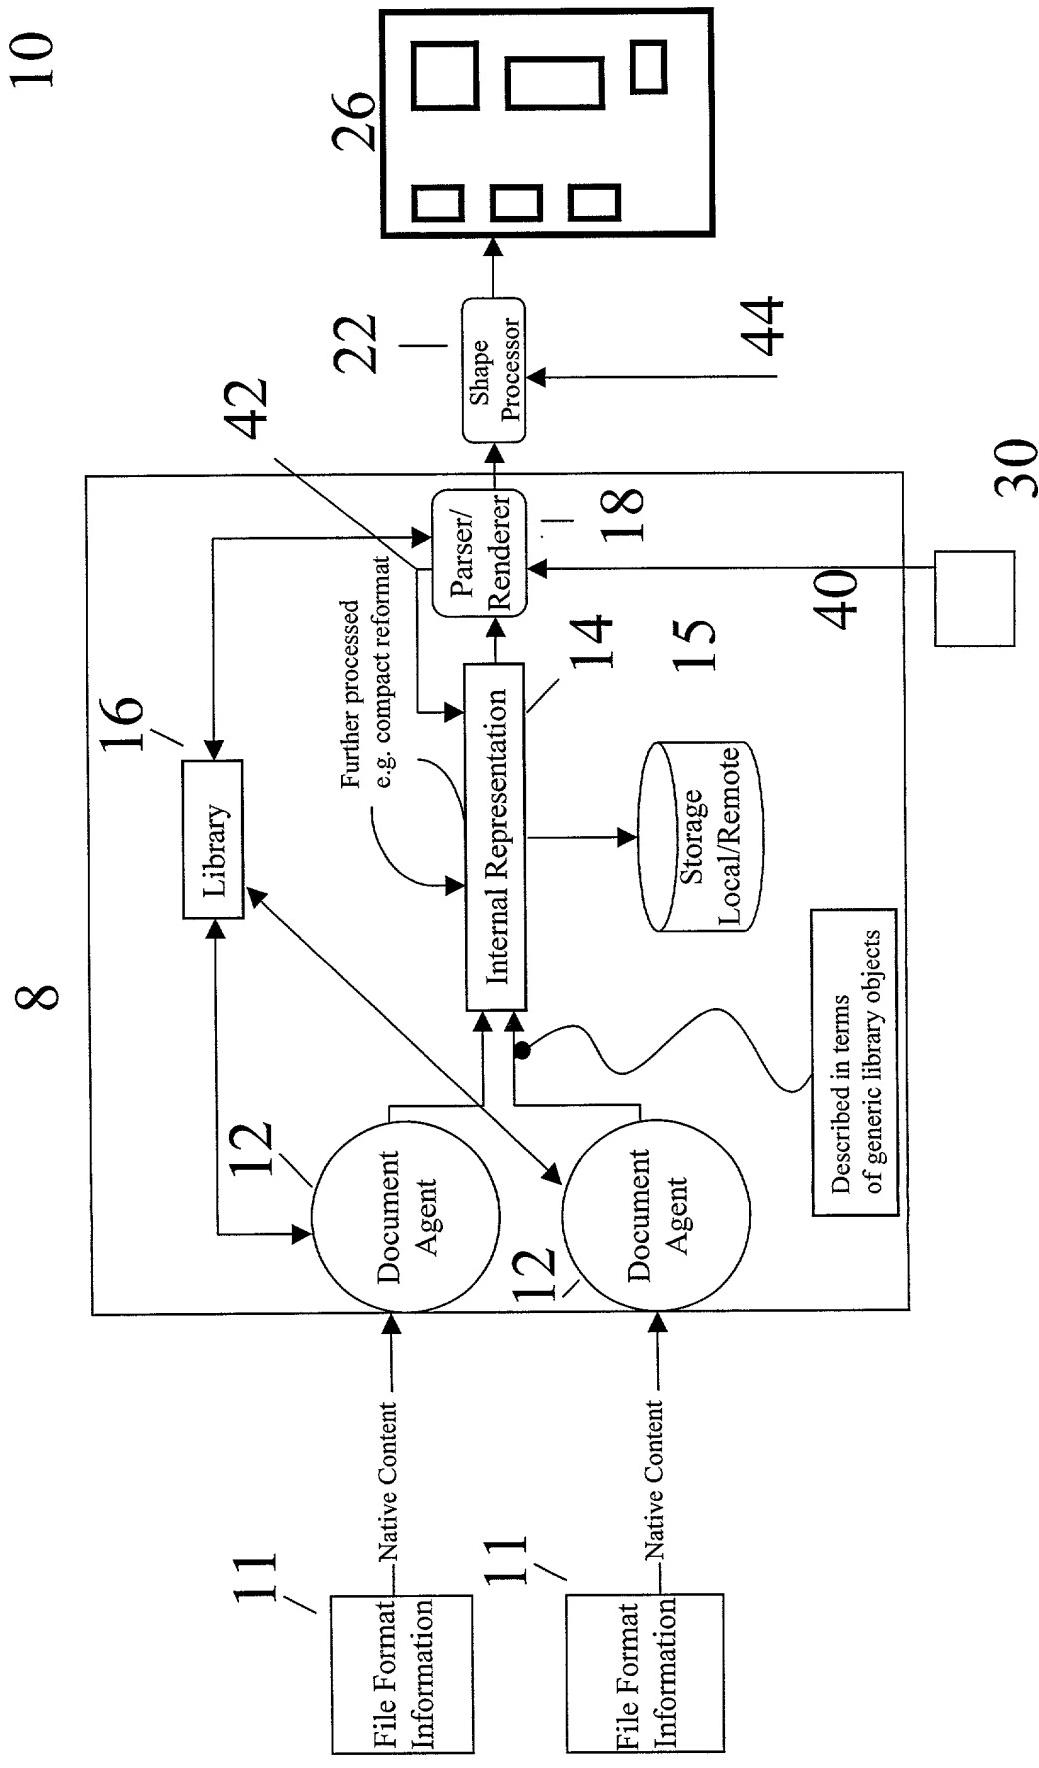

**Figure 1**

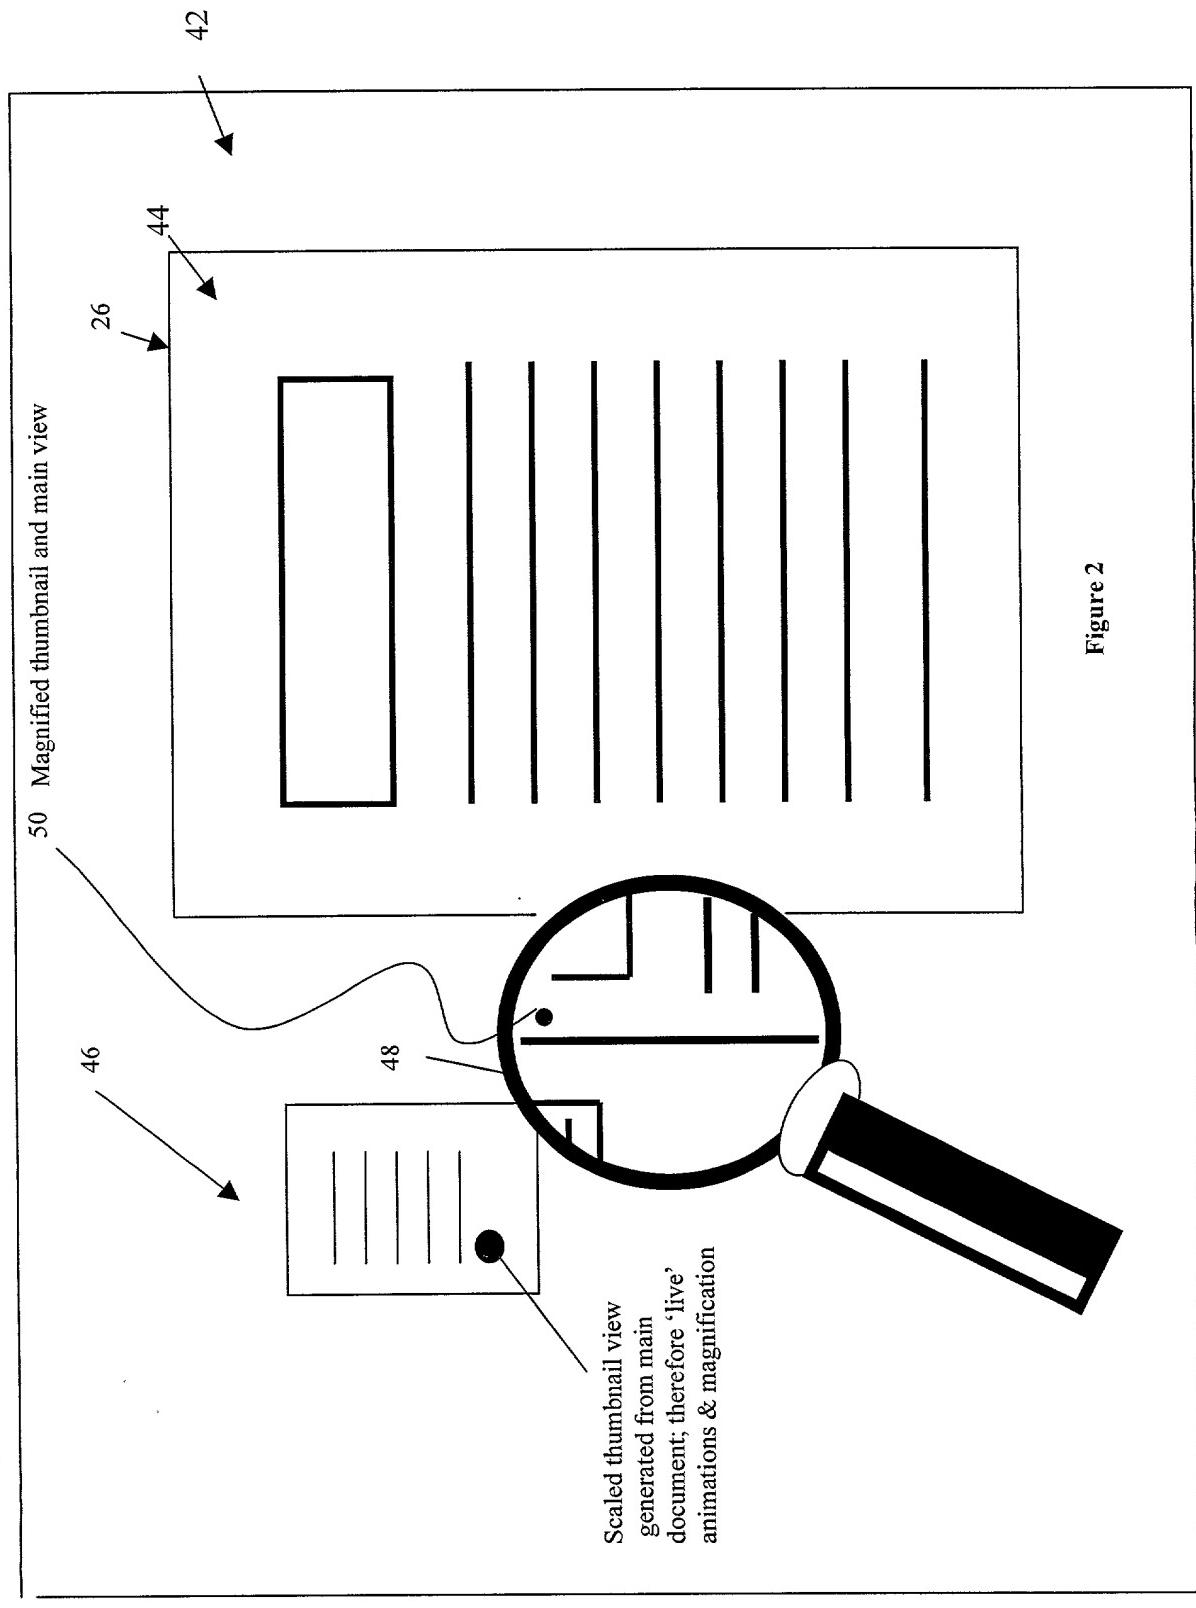

Figure 2

Interaction still possible  
in thumbnail, main view,  
and magnification

26

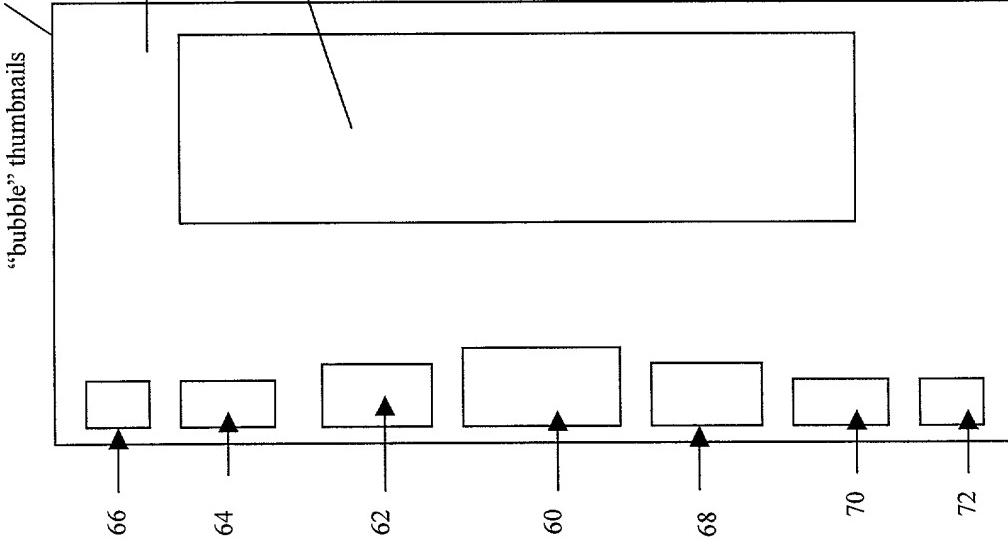

Figure 3

smaller views proportional  
to ‘distance’ from current page

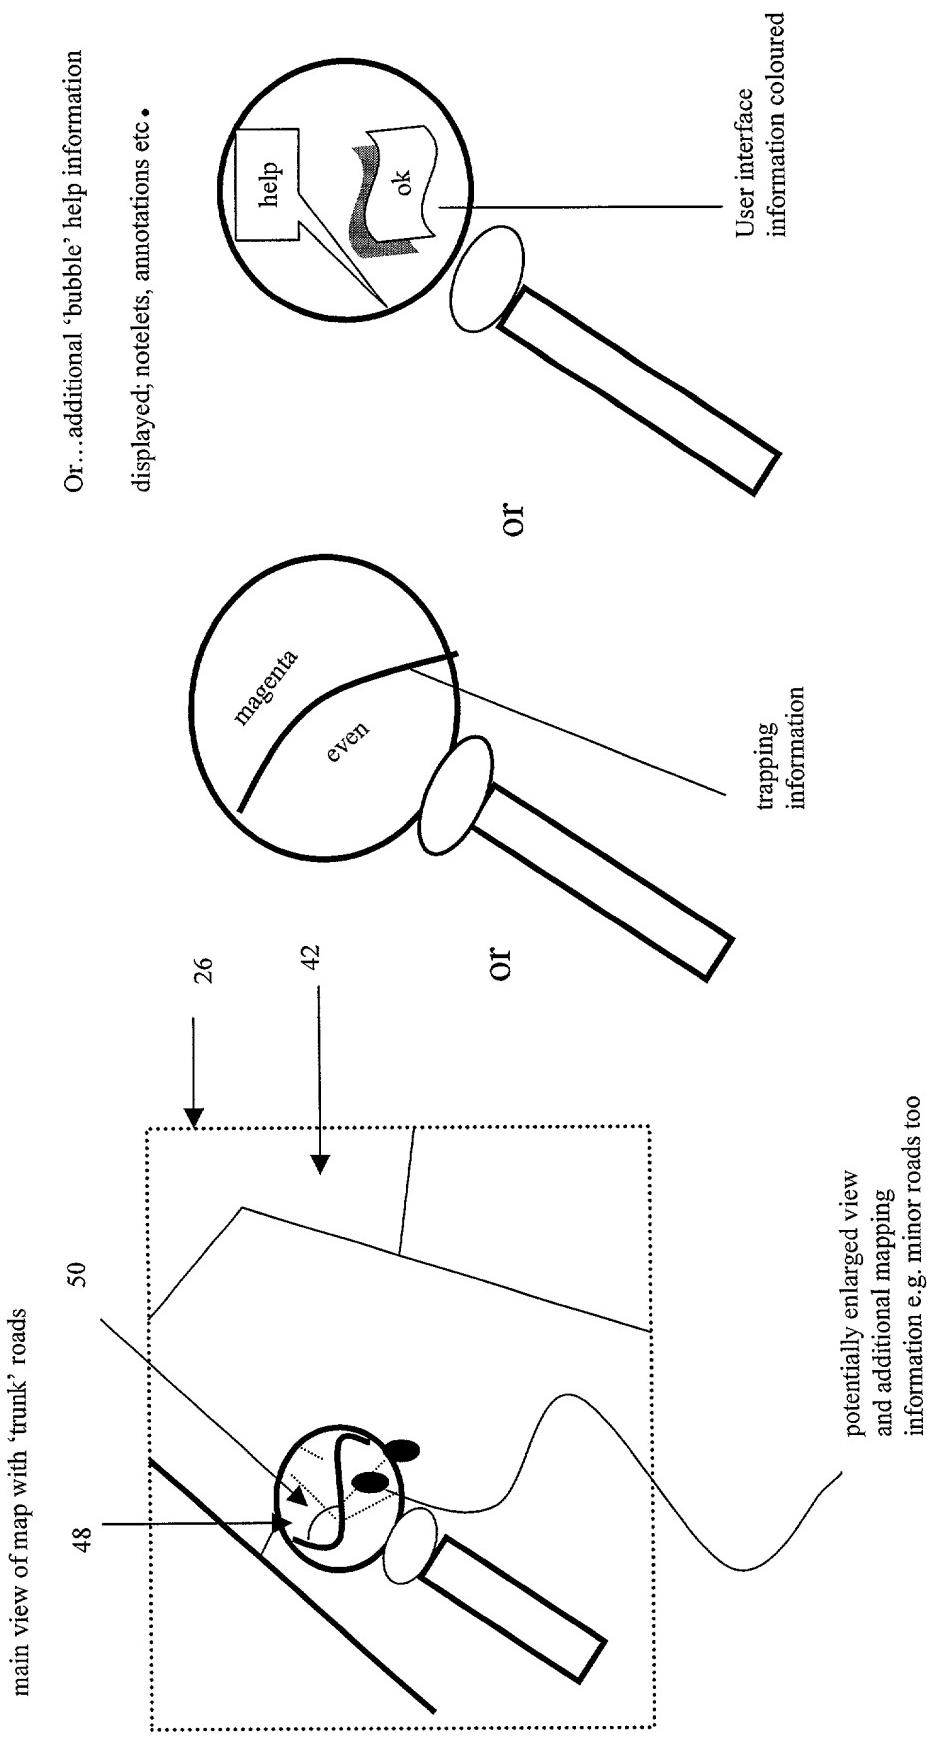

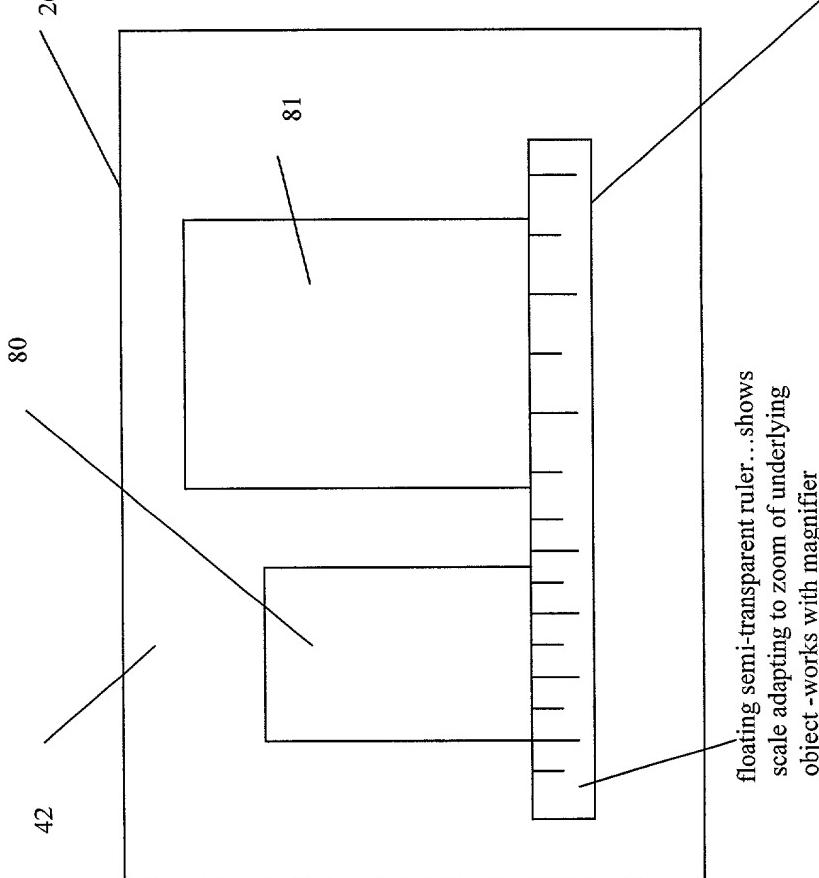

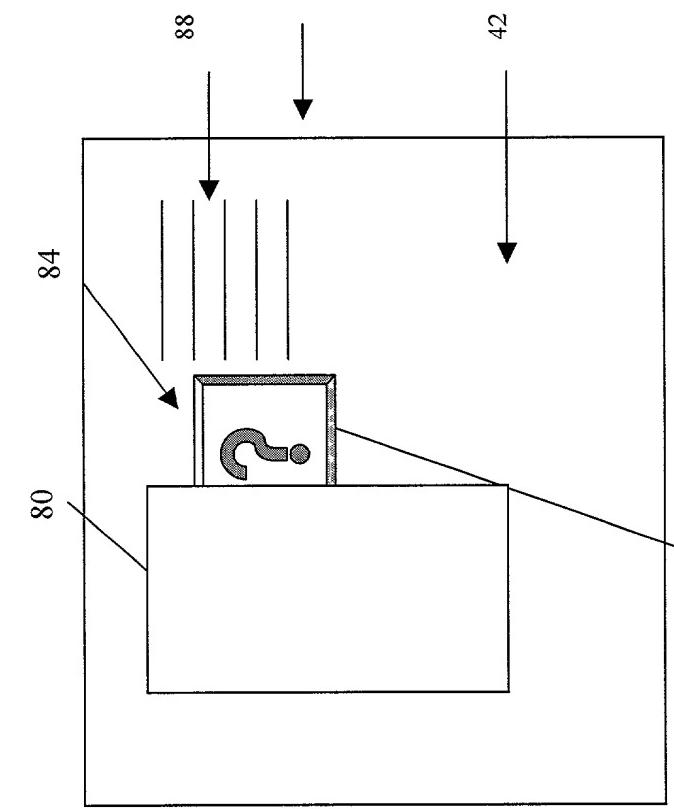

Figure 4

**Figure 5**

**82**

**Figure 6**

Click and drag from magnifier tool button,  
creates and drags magnifier onto/across screen

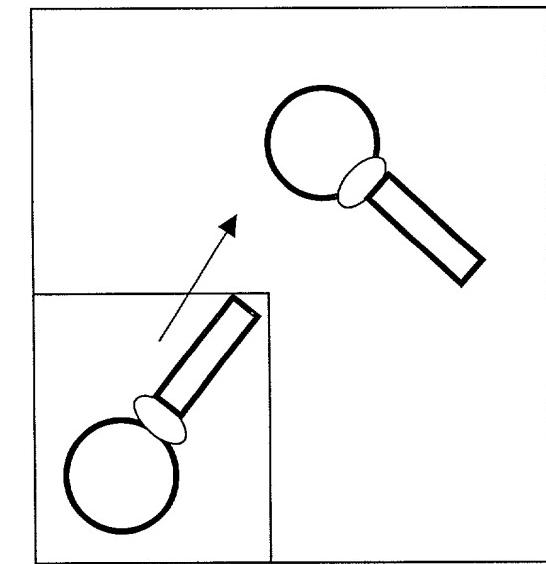

Figure 7A

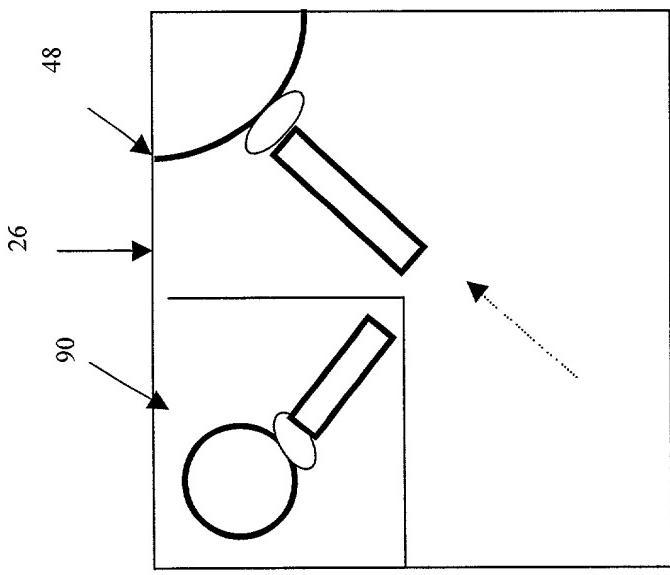

Figure 7B

'push' drag tool 'off' screen  
in any direction removes object  
and restores 'icon'

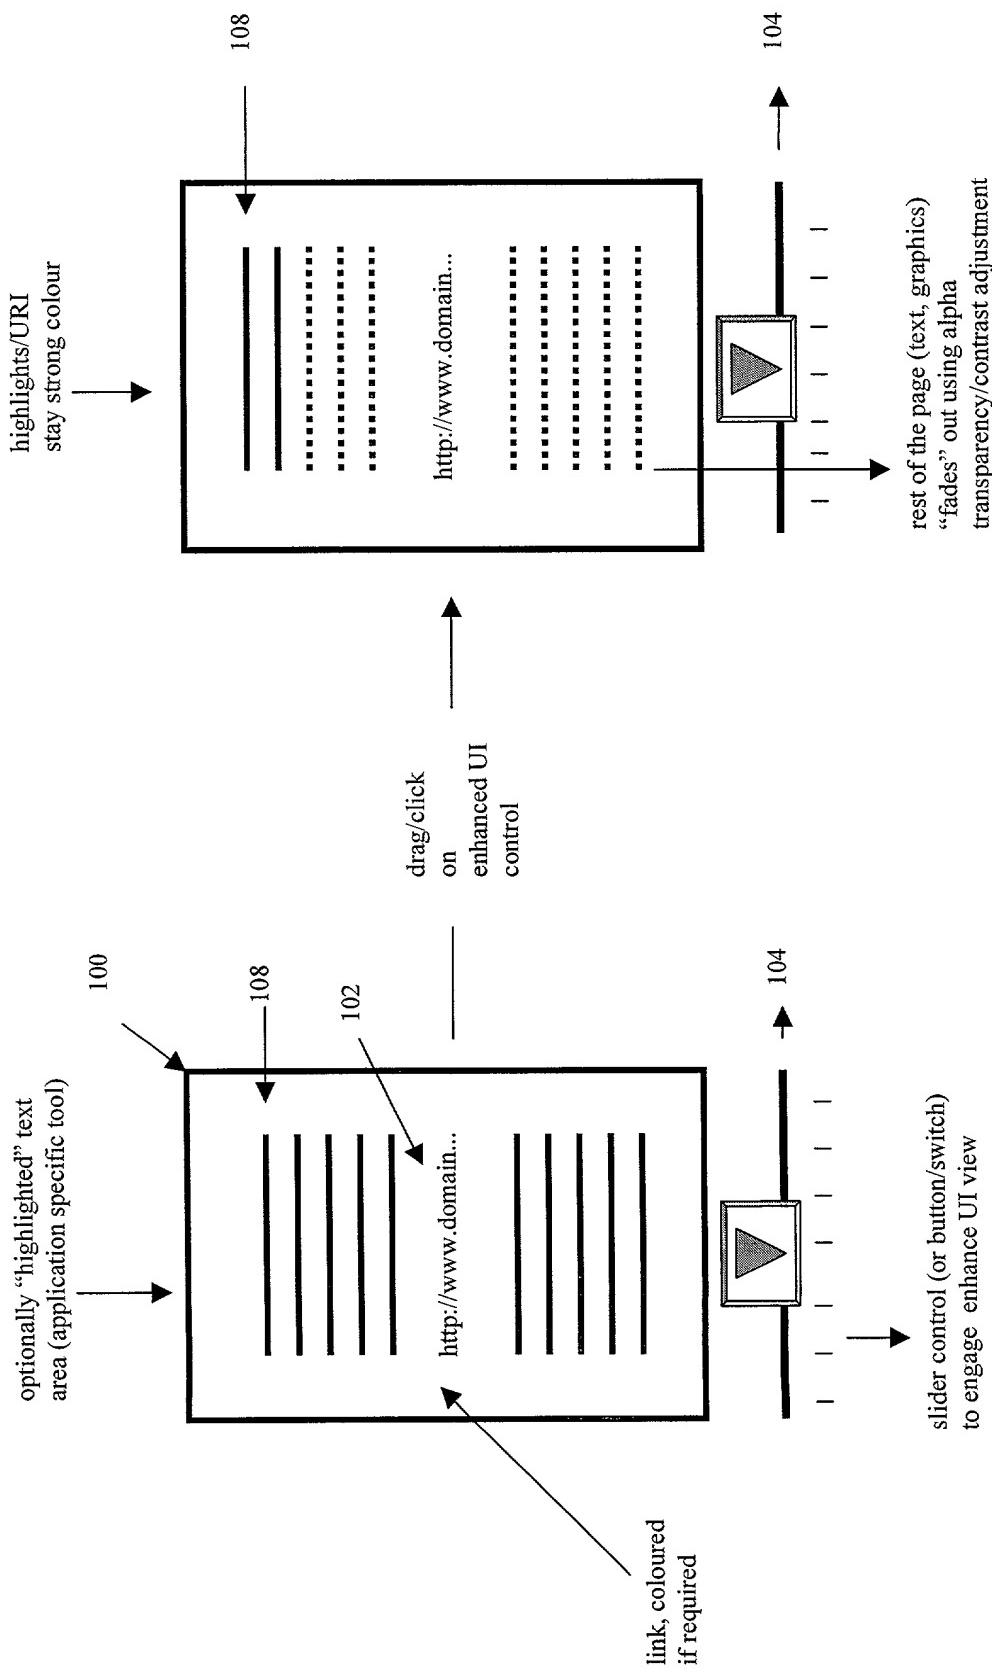

Figure 8A

Figure 8B

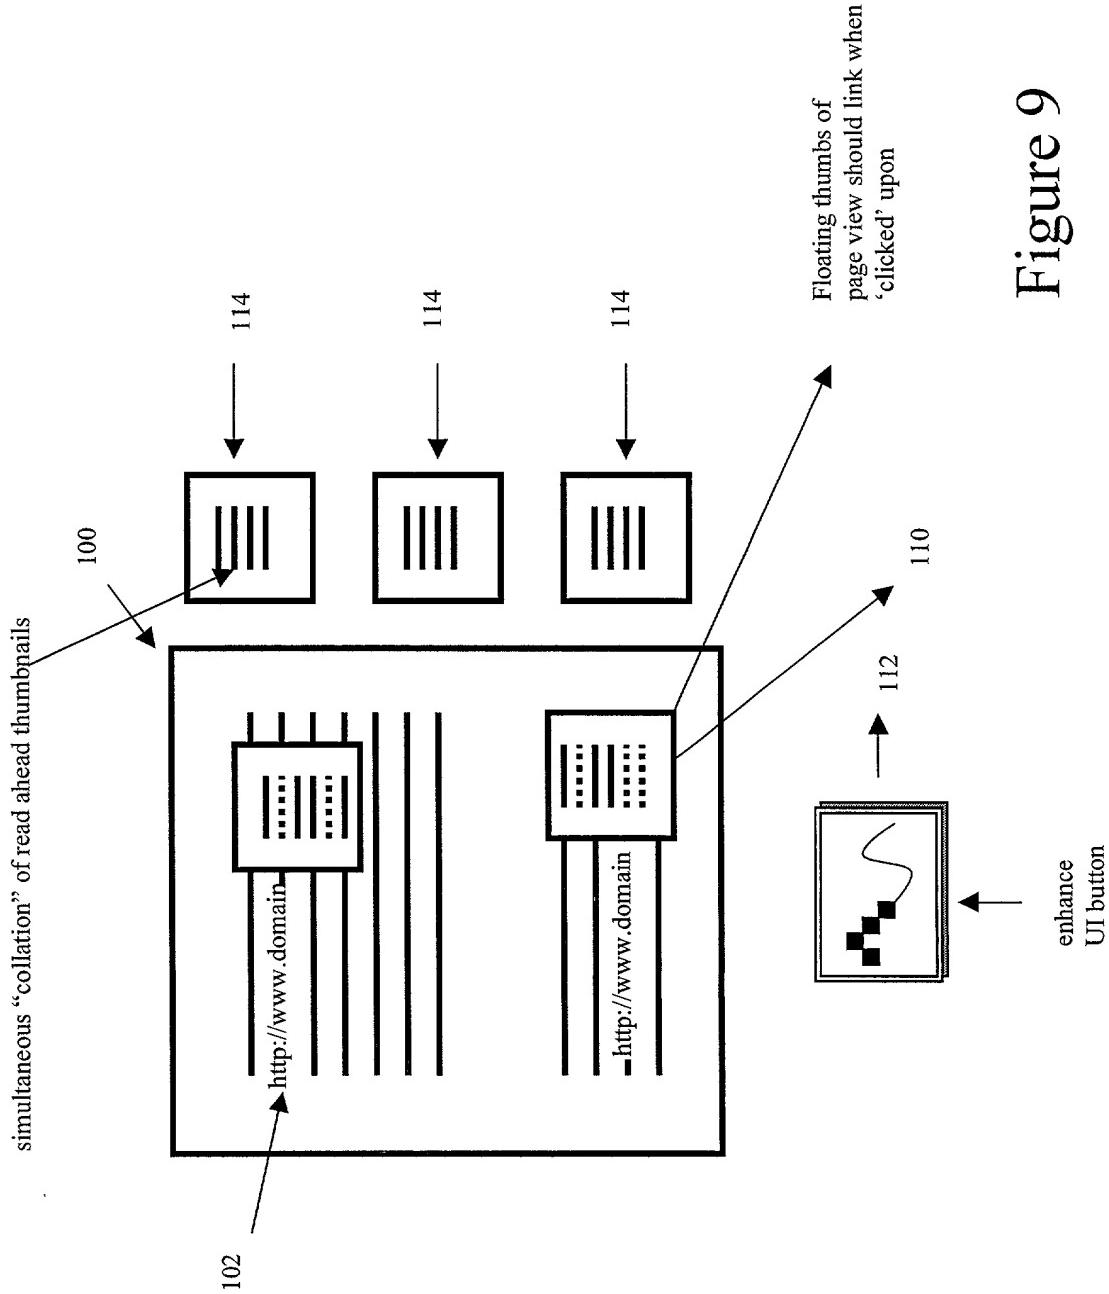

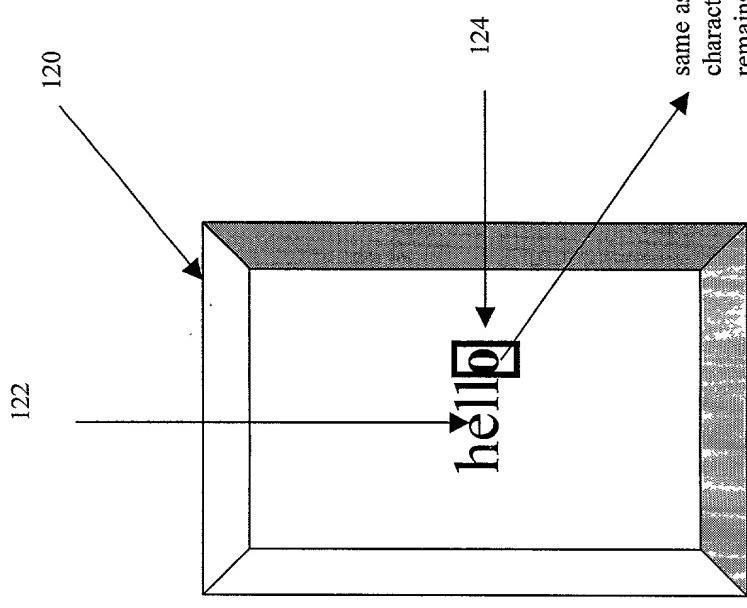

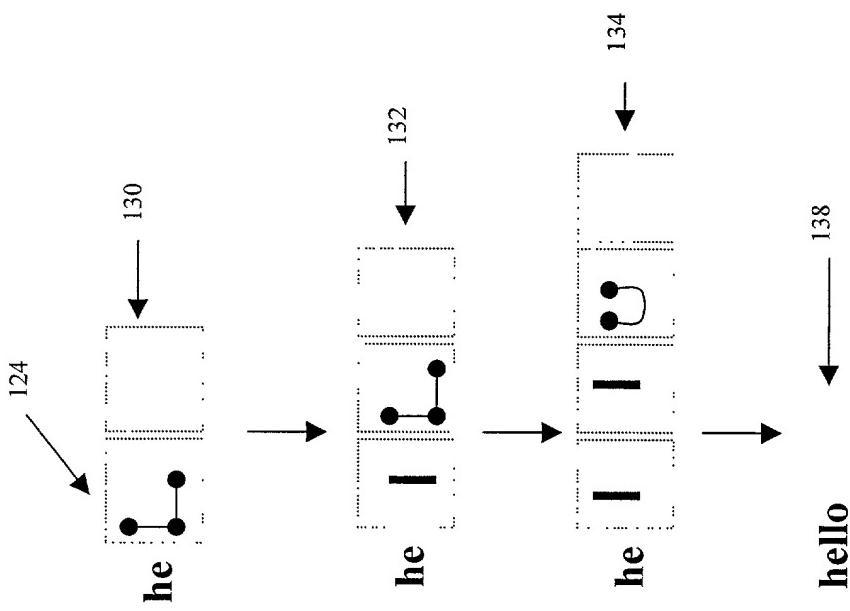

Figure 9

Figure 10

same as 65a, but sequence of  
characters entered, plate  
remains still, text scrolls  
underneath
